BayREN

**BAY
AREA** Regional
Energy
Network

- BayREN was formed in 2012 by Bay Area cities and counties who saw a **need for better collaboration** around energy efficiency.
- BayREN administers **successful climate, resource, and sustainability** programs.

PACE.

BAY AREA Regional Energy Network

- Provides loans to install energy and water conservation improvements and renewable energy upgrades with no up-front cost.
- Repayment occurs on the property tax bill.
- Some Providers offer loans for seismic upgrades.

10 Year Business Plan Relies on Financing.

- Proposed Residential, Commercial and Public program proposals all have a financing component.
- Studies have shown that projects with deeper energy savings have utilized some form of financing.
